RIDE KEY

The Ride Committee works hard to balance out our calendar to include both Saturday and Sunday rides; a balance of east, west & southern destinations and to keep it interesting!

While you may not see your favorite Poker Run, Parade Ride or event on this Calendar, don't hesitate to send an email to the group (using home emails rather than Rumble Pack emails) about an alternative ride you would like to do. Especially on a day when no Chapter Ride is planned. Please try to include everyone ... feelings get hurt when someone thinks they have been excluded deliberately.

- (1) = All Riders Welcome - mostly flat roads, minimal highway, divide into small groups if necessary.
- (2) = Intermediate Ride – extended time in the saddle possible, highway and curvy road and/or large group.
- (3) = Advanced – All weather conditions, highway, curves, long day in saddle – we ride no matter what.

IF YOU HAVE A SUGGESTION FOR A RIDE . . .

Please contact the Ride Committee:

IF YOU SUGGEST IT . . . WE HOPE THAT YOU WILL PLAN IT!
